

CONSECRATION OF THE PARISH TO THE SACRED HEART OF JESUS

*After Communion the following Prayer is offered
(before the statue of the Sacred Heart):*

Let us pray:

Most sweet Jesus, Redeemer of the world,
look on us as we kneel before you.
We are yours and we wish to remain so
and we freely consecrate ourselves to your Sacred Heart.

Have mercy on all people, especially those in need
of knowing your compassionate and merciful love.
Be the inspiration and strength of the faithful
and of those who have given up hope.
May they know they are welcome in their Father's house.

Be reconciler of those who live in discord;
soften the hearts of those
who have hardened themselves to others;
give hope to those who are lost;
bring joy to any who live in torment of mind.

Bring those who worship here,
together with the whole world,
to cry with one voice:
Praise to the Divine Compassion
which brought about our salvation.

To your Sacred Heart be honour and glory forever.

Amen
